## 2012 RV CAMPING AVAILABILITY AT PORTLAND MEADOWS

Dear Swapper,

Wow, another year has rolled around and yes, we will again be offering basic RV parking.

Same rules, as in the past availability is on a first come basis. You want to be next to a friend, then you come together.

### PROCEDURES FOR RESERVATIONS

- RV stall is 10 feet by 40 feet; wider or longer than that requires an additional charge. You are allowed a one side slide out or awning (not both).
- You may move in Wednesday at noon and we close at 10:00 PM on April 11<sup>th</sup>.
- As a consideration to your neighbors we request you turn off generators by 10:00 PM.
- Again, it is dry camping, however we will supply toilets.
- The charge this year is \$100.00. An increase is necessary because of the Cirque Du Soleil at the Expo lot. Accommodations are limited.

Looking forward to another great year.
